Hi [REDACTED] and [REDACTED]

Bruce B. has brought the following exchange to my attention. Yes, to the extent the request has been made to you please consider it as a Rule 16 request as we view this information as discoverable as Rule 16 material as to the penalty phase.

Also, in light of your offer, we will hold off for now on pursuing the request with the MCC/BOP to avoid duplicative efforts. We appreciate your assistance, as your aid could certainly speed things along.

--Michael

Hi Bruce,

Pursuant to FOIA/Privacy Act and Touhy regulations, we need a release from the inmate, Touhy letter, and subpoena for the request to be considered locally. Please also be advised that we would have to seek authority under Touhy through the USAO.

Thank you,
