Greetings grossly corrupt SEC et al scumbags

As with ALL of my allegations: beyond a shadow of a doubt, 100% accurate

<https://www.sec.gov/litigation/complaints/comp17673.htm>

Complaint: SEC v.

COMPLAINT. Plaintiff United States Securities and Exchange Commission ("Commission") alleges as follows: SUMMARY. 1. This case involves a \$15 million "pump and dump" scheme involving the securities of Environmental Solutions Worldwide, Inc. ("Environmental"), a public company whose common stock is registered with the Commission under the Securities Exchange Act of 1934 ("Exchange Act"), and is ...

www.sec.gov

ESWW was a money laundering shell.

The SEC knows it. The degenerate Epstein knows it. The Degenerate Leon Black/Kushner BFF/ Milken proteges/Marc Rowan/Apollo knows it.

The DOJ/IRS knows it.

IG, I have repeatedly offered to come to SEC DC HQ to have the brightest minds at the SEC totally humiliate me by refuting my allegations 1 by 1. The grossly corrupt SEC scumbags have never taken me up on my generous offer. For the very simple reason that ALL of my allegations are accurate and true.

So, I again put the offer out there:

refute my claims OR go to jail for the criminal obstruction ACTIVELY being facilitated by your office and the SEC.

So, let's give these scumbags the insurance/annuities market.

This will NOT end well for tens of thousands of Americans.

Who "green lighted" this take over of the insurance industry by PE/Hedge funds?

IG,

This was a blatant attempt to intimidate a whistleblower. "HE" (I think a male although very effeminate voice) was an anonymous, coward, scumbag who threatened me. AND then called me another 11/12 times after that. This is a VERY serious matter. Felony. I intend to see "him" prosecuted to the fullest extent of the law. Within weeks of filing a complaint against the SEC and you.

I obviously have hit a nerve.

SEC Spots a Way to Starve the Most Suspicious Penny Stocks - Bloomberg

"If a company is a dark company and listed in the OTC market and hasn't put out financials for six months, maybe it shouldn't be quoted or offered to retail investors," Redfearn said ...

www.bloomberg.com

See my comment letters on this subject.

The SEC INTENTIONALLY puts the investing public at risk of frauds like this and thousands others like it.

The core biz at NITE/VIRT,CDEL etc and the reason WHY the OTCM exists: Abusive naked shorting publicly traded shells to facilitate money laundering.

Shells go dark only AFTER a massive fraud has been perpetrated on the investing public: Main Street ANOTHER "genius" degenerate: Apollo

the grossly corrupt SEC: Bought and paid for by common criminals and degenerates

IG, I have time for that REQUIRED 3rd party cc today

Call me

Cheers!
